

INTELLECTUAL PROPERTY FORM

I, _____, understand that all intellectual property of The Village Experience/Off the Mat into the World ("TVE/OTM") including community partners, travel partners, hotel information, ground operators, and guides are the exclusive property of TVE/OTM, and I agree to not contact any of them following the Global Seva Challenge Trip to Kenya in October 2015 without permission from TVE/OTM.

I agree not to enter into or start a similar profession or trade (for example, fundraising, leadership or tourism activities) for my own personal benefit and in competition against TVE/OTM for a period of two years following the Global Seva Challenge Trip to Kenya in October 2015.

I agree that any travel to Kenya for the purposes of visiting community partners and projects within a two-year period will be arranged through TVE/OTM, and I will report all activities to TVE/OTM in an effort to create a fully sustainable program with our partners and transparent reporting procedures.

We encourage you to stay involved with our programs in Kenya, but to do so in an appropriate manner as outlined above.
